

Altronix®

# TROVE™

ACCESS & POWER INTEGRATION

*Customize your access control  
and power distribution.*

Trove™ enclosures let installers easily combine Altronix power and accessory boards with Mercury controllers. Backplanes are available supporting a wide range of options for scalable applications. Our solution allows you to easily configure and interconnect boards and controllers prior to on-site installation.

Trove2M2 Supports  MERCURY  
Access Control Systems Up to 12 Doors
